The New ŠKODA Octavia - Accessories

Overseas model shown.

The ŠKODA Octavia often exceeds expectations, making it the practical, stylish and popular choice for both families with young kids and young couples with an active lifestyle. Add an engaging and spirited ride and the Octavia also becomes a popular choice for the daily commute.

Whatever the destination, every Octavia can be as unique as its owner. With the wide range of **ŠKODA Genuine Accessories** available, you have the option to personalise what matters most to you. Whether that includes design details such as alloy wheels or decorative touches for a sportier look, interior features for increased comfort or luggage options for greater carrying capacity.

Products from the range of ŠKODA Genuine Accessories are an extension of our standard and extra equipment levels and as such they have been approved by ŠKODA Auto. Their other advantages include a long service life, safety, original design and accurate fit. You can get ŠKODA Genuine Accessories together with competent advice and service from any authorised ŠKODA dealer. Our range has been extended with products designed specifically for the Octavia Wagon model.
